

Rigel

The diagram shows a curved path of stars, likely representing a stellar stream or a specific sequence. The path is marked by a series of small crosses. Two stars are specifically labeled: Rigel and Sirius. Rigel is located in the upper-middle part of the path, and Sirius is located in the upper-right part of the path. The path curves from the bottom-left towards the top-right. The text '< 0.50 mag' is located in the bottom-right corner of the diagram.

★ Sirius
