

A star map showing a sequence of stars. The stars are marked with crosses and connected by a dashed line. The stars are arranged in a curved path from the bottom-left towards the top-right. Two stars are specifically labeled: Sirius, marked with a star symbol, and Rigel, marked with a solid circle. The text '< 0.50 mag' is located in the bottom-right corner.

★ Sirius

● Rigel

< 0.50 mag
